VIKING

Time is a sort of river of passing events, and strong is its current; no sooner is a thing brought to sight than it is swept by and another takes its place, and this too will be swept away.

— Marcus Aurelius

1964 VIKING
NORTH HIGH SCHOOL

VOLUME 61

1964 VIKING STAFF

Time, to the 1964 VIKING Staff, has greater significance than the publisher's deadlines or the slow creeping of the clock's hands toward 3:30. Time is the throbbing rhythm of a cheering crowd, the immortal beauty of Beethoven's symphonies, the infinity of the universe; time is, as Pythagoras said, "the soul of this world." In this, the 1964 VIKING, the staff attempts to capture the soul of the 1963-1964 North school year. Only time and you will tell the degree of our success.

The 1963 football team won two league games and lost five. This record, however, is a poor indication of the fine performances of our team. Warren Seiler, Tim Cole, and Dick Kenner were indeed the most outstanding players for the North Vikings. Injuries greatly hampered our team near the end of the season. The exuberant spirit of our team and of our students was never lost throughout the tense moments of the games.

Wayne Cole, who was elected co-captain, was first man throughout the season. In the state meet, the doubles team of Charles Mullen and Lee Wosk finished fourth. Next year, seven lettermen will return, raising our hopes for a city championship.

North's basketball team finished fourth in city competition with seven wins and seven losses. Tim Cole proved to be the most outstanding player for the Vikings. Lennie Ashford and Tim Cole were awarded berths on the All-City Squad. Dick Kenner, Larry Koperski, and Ron Newell received honorable mentions. Since ten members of the 1964 team are seniors, next year's Varsity squad must rebuild, but Coach Evans has great hopes for the team's success.

GYMNASTICS

The 1964 Viking gymnastics team has worked hard in preparation for this year's meets. Practice, determination, and patience contribute to the success of this year's squad. Coach Kyle has great expectations for the 1964 team and is confident that the boys will do well in the city and state meets.

FACULTY VS. VARSITY

North's first faculty-varsity basketball game was held this March. The tough varsity team consisted of the senior basketball players. The faculty team was composed of various teachers possessing extraordinary daring and coordination. The first five-point play in basketball history occurred when Mr. Stott pinned Tom Urich in 2:01 of the second period. Before the teachers completely succumbed to exhaustion, the game ended in a tie.

YOUTH IS THE TIME FOR ANY EXTRAORDINARY TOIL

Plato

ALAN DUDIEY was one of the three students selected from Colorado as delegates to the National Youth Conference on the Atom. Among many other awards, Alan received first place in physical sciences and the All-Exhibits Award for the Sixth and Seventh Colorado-Wyoming Science Fair. Also Alan received a fourth place in the physics division of the Thirteenth National Science Fair-International. Physics will be Alan's major in college. He plans to attend the University of Colorado.

SHIRLEY PLESS was the recipient of the Daughters of the American Revolution Award for good citizenship. Shirley plans to attend college at Greeley or Fort Collins where she will major in physical education and dance. After college Shirley would like to combine a career of secondary education with marriage.

JOHN ROSE received a superior rating from the National Council of Teachers of English for his writing ability. John has been on the Honor Roll for three years, and he has also received superior ratings in debate. After graduating from North, John would like to attend Yale University. As possible majors in college, John is considering history and political science. John is undecided about his vocation and is thinking about continuing his education after college by working toward an advanced degree in graduate school.

Another outstanding boy in the senior class is IRWIN SILVERMAN. Irwin is a National Merit Scholarship finalist and has been on the Honor Roll for three years. He is also a student teacher of a Sunday School class. Irwin would like to attend either Stanford or Brandeis University if he goes out of Colorado to school. Although Irwin is undecided about his vocation, his major will possibly be in medicine, law, or education.

WAYNE COLE, North's head boy, has served North dutifully during the past three years through student council activities and as North's representative to Boys' State. Wayne has won many scholastic honors and is a National Merit finalist. Now, preparing to leave North, Wayne is making future plans. He has applied to Harvard, Columbia, and Brown Universities. He plans to major in law, psychology, or political science. Wayne has no post college plans, but he is considering a Senatorship.

BILL GRAFF, one of North's outstanding junior boys, brought honor to his school by winning the Voice of Democracy Contest. Representing Colorado, Bill competed in the national contest in Washington, D. C. Bill has been on the Honor Roll for two years and is an officer of his Young Life group. College is still a year away for Bill, but his fondest dream is to attend U. C. L. A. He plans to major in math and become a math teacher.

As a junior, ENID ZEITLIN received the Masonic Achievement Award as North's outstanding junior girl. As a senior, Enid serves as editor of the 1964 Viking; she is also North's winner in the Betty Crocker Homemaker of Tomorrow contest. Planning for college is a big step, and Enid would like to attend Brandeis University. Enid is undecided about her major, but she is considering teaching first grade after graduation.

ERNIE GILMAN is truly an outstanding senior boy. Ernie received the Masonic Achievement Award for being the outstanding junior boy. Ernie's three years of hard work at North have brought him many rewards. The National Council of Teachers of English gave him a superior rating, and he won first place in the Shafroth Extemporaneous Speaking Contest. He is also a National Merit finalist. Columbia and Princeton are Ernie's first two choices for college. Ernie has made no definite decision about his major or about what he will do after his college career.

Officers put up a poster.

The objectives of the National Honor Society are four-fold:

1. to create enthusiasm for scholarship;
2. to stimulate a desire to serve.
3. to promote leadership;
4. to develop character in the students.

Members are chosen on the basis of their scholastic achievements and their promise for the future.

To be elected to the National Honor Society during the junior year, a student must deserve great merit, for only a select few juniors

The society's main projects for the year were the initiation of new members, the preparation of posters, and an assembly for the Operation Rededication project.

The North High pep club, Valkyries, stimulates school spirit and good sportsmanship. Besides sponsoring the Homecoming dance, the Valkyries work hard on many other activities. The year is climaxed with a banquet honoring the senior Valkyries.

Students interested in serving North High School and helping mankind are welcome to join the North High School Red Cross. The council worked with other service clubs throughout Denver.

This year the council collected 2,000 toys for the Santa Claus shop. The members also provided useful items for Colorado State Mental Institution. As a fund-raising project this year, North High School Red Cross sold North High decals.

Spartans of Sport is the girls' athletic club. Girls who have a 'C' average, who have passed all the required skill tests and who have 300 points are eligible for membership. Points are earned through participation in the after-school intramural program. The purpose of the club is to enable members to learn the rules of various sports, not only to increase their playing ability but also to enable them to officiate in the after school program. Each year S.O.S. sponsors the Color Day breakfast dance and the mother-daughter banquet in the spring. Once a month the club has such activities as sports events, pot luck dinners, skating and skiing parties

WE HONOR

Since 1943 Mr. Paul Dawson has been a teacher in the Denver Public Schools. During the eleven years Mr. Dawson taught at North, he earned the respect and friendship of countless students. Mr. Dawson's contributions to the school both as a teacher of American history and psychology and as the sponsor of Student Council and Red Cross will long be remembered.

I have not much
 to write at present
 except to say that
 I am well and hope
 to be so for some
 time. I am still
 very busy with my
 work. I am
 ever your
 friend
 - 64 -

I am whole!
 that's your call number
 it is almost over but will still get
 the sun and good night I'm sure will
 see you we always have hope
 you succeed in the year to come
 and have plenty of happiness ahead
 see your prize full of candy and
 always be so generous as you have
 been. That way you'll never be
 hungry and you'll always have friends
 thanks for everything and stay the way
 I love always
 I am not so bad that winter
 we went to with the ice
 but one - the ice got a
 dinner full of things that
 remind me of you - so
 don't forget me.

It has been so much fun this year and you can't
know how glad I am that we got to be those friends.
You are a wonderful person with the funniest personality
and so dramatic. I'm sure we'll get together
the graduation and next year you'll
come to come up and spend some
time with me. Please
I want to be your friend
at all times and especially
at a few other people.

Time is a sort of river of passing events, and strong is its current; no sooner is a thing brought to sight than it is swept by and another takes its place, and this too will be swept away.
